

Buckeye Education Foundation
2020-2021 Annual Back-to-School Campaign
Help us Raise the Flag!

Welcome back to school Buckeye! For those new to the Buckeye School District, welcome! The Buckeye Education Foundation is a 100% volunteer-run non-profit organization that has been fundraising to support Buckeye schools since 2009. Working at the district level, we offer support that is separate from the valuable support provided by our school PTAs and PTOs, because it is support that schools can only receive at the district-level, such as supplemental funding for teacher and staff salaries. We expect the coming years to present big financial challenges for our district, and we are doing all we can to help Buckeye schools prepare. We have set a 2020-21 fundraising goal of \$100,000 which would go a long way in providing a safety net for valuable programs that will be put in jeopardy if our district's funding is impacted by the current pandemic-induced recession. Since June, we have raised nearly \$20,000, getting us a fifth of the way to our goal already! With your help, we hope to rally our community to help raise our flag to its height! We are suggesting a \$250 donation per student to make the most meaningful impact in Buckeye schools, though smaller donations will add up and are gratefully welcome!

Please fill out this form and return it to your teacher or school office by August 31st. You can fill out the form online instead at: www.buckeyefoundation.org/giving

The class with the highest percentage of returned forms at each school by August 31st will receive a fun prize for the class!
